DATE: March 19, 2008

TO: Councilmember Donna Frye

FROM: Elizabeth Maland, City Clerk 

SUBJECT: SB 343: Public Access to Government Documents

I received your memo dated March 10, 2008 on the topic of SB 343: Public Access to Government Documents. I know you share my pride in the fact that the Office of the City Clerk has an established protocol that posts all supplemental materials at the same time that those materials are distributed to City Council Binders (sometimes even slightly sooner!). In addition, the materials are available in the binders in the Office of the City Clerk and posted on-line in concert with that distribution to further facilitate access by members of the public.

I will, however, forward your memo to the City Attorney to make sure that we meet all of the access requirements in SB 343. Thank you for bringing this to my attention and for your commitment to public access.

cc: Scott Peters, Council President
Michael Aguirre, City Attorney
